

Hammonds®

Fluidpower

3-YEAR WARRANTY

Since 1982 and over 11,000 injectors makes you
pretty confident...

...so confident, that Hammonds is offering the first
bumper-to-bumper, flange-to-flange, **all inclusive 3-year warranty for
fluid powered additive systems.**

All you have to do is operate any Hammonds fluid-powered system within
quoted limits, perform the recommended yearly maintenance, and you're covered...
completely covered. **But here's the best news.** Even your old Hammonds system,
including the first one we ever delivered, can be qualified for this new warranty.

Allow our factory-trained personnel to remanufacture your system to "zero-time"
specifications. Your old unit, regardless of age will be certified with a 3-year warranty.

The industry's best warranty.

**Fluid Powered, Flange to Flange,
EVERYTHING IS COVERED**

The best fuel treatment system in the world with the
WORLD'S BEST WARRANTY!

INNOVATION..pure and simple.
